## PRINCIPAL'S MESSAGE

Spring is here...and the arrival of this beautiful weather usually means a case of Spring Fever. Please remember that **missed school means missed learning**. Research shows that student absences negatively affect the student and his/her classmates. Of course, some absences are unavoidable. *It would be a great goal to strive for perfect attendance for the remainder of the school year!*

As we soar through our final nine week period, please pay close attention to our calendar for events that will take place before our year ends. Third through fifth grade students will be taking PASS, our state's assessment, starting Tuesday, May 8. Having a set routine and maintaining a healthy and peaceful living environment is also helpful for students during the last month of school and during the testing period.

Summer registration dates for the 2012-2013 school year have been set. Please mark your calendar for  
**July 26, 12:00 noon - 7:00 pm and**  
**July 31, 8:00 am - 4:00 pm.**

Larne will celebrate the 2012 summer Olympics with an **Olympics Field Day on Friday, May 25**. The purpose will be to provide an end of the year event showcasing many of the teamwork and cooperative activities taught during our PE classes as well as some activities just for fun. Our goal will be to stress good sportsmanship, teamwork, fun, and being an Olympic Winner.
